

'Atlantis' Themes '63 Jr. Prom; Jerry Gray Will Play at Dance

Editor, Manager Named for Summer Universe

Chosen to fill the positions of summer Universe were Janet Hofheins, Editor, and Byron Lee Nelson, Business manager.

Miss Hofheins, 21, is a senior at Beaver, Utah. A drama major with a minor in journalism, she was editor of the student newspaper at the College of Southern Utah, 1960-61, and worked on the yearbook staff in high school she was yearbook editor. This year she is in Theta Phi addition to working as first counselor in the Relief Society, church of Jesus Christ of Latter-day Saints.

Mr. Bracken, 26, business management major from Tooele, will be as summer business manager. He is presently working as circulation manager for the Utah Star.

In addition he has worked on Winter Carnival and culture missions. In both high school and college he has been a member of the ski club and letterman's club. Also a member of the

church, he served on a mission in Central Atlantic States from 1959-60.

The Summer Universe will begin publication June 7 and continue weekly on Tuesdays and Thursdays until Aug. 21. Students interested in working on the Summer Universe should contact Miss Hofheins or Mervin G. Fairbanks, publications advisor.

Daily Universe, Banyan Heads To Visit Denver

Dick Fuller, advertising Manager of the Daily Universe, will head a student delegation to the 1963 Rocky Mountain Collegiate Press Association of which he is vice president.

Ten students from the Daily Universe and Banyan editorial and business staffs will attend the publications convention this weekend at the University of Denver in Colorado.

REPRESENTATIVES from colleges and universities in Utah, Idaho, Montana, Wyoming, Colorado, New Mexico and Arizona will attend lectures and panel discussions concerning editorial and business aspects of student publications and will also elect new regional officers.

An awards luncheon will be held Saturday to present honors to the outstanding newspapers and yearbooks in the area. Last year the Daily Universe was awarded a trophy for being the best daily newspaper in the Rocky Mountain area.

"Atlantis," an imaginary island under the sea, inspired the theme for the 1963 Junior Prom.

The Prom which will be held April 19 in the East Gym of the Smith Fieldhouse, will feature Jerry Gray and his Band of Today.

BORN IN BOSTON, he was a child prodigy, an accomplished violinist at seven, and a professional performer at 12. Before he was out of his teens he organized his own dance band and played first violin in Artie Shaw's string orchestra. He then became top arranger for Shaw, and worked with Glenn Miller and Tex Beneke.

Composer of "A String of Pearls," "Pennsylvania 6-5007" and many others, he is known as one of the nation's top composers, arrangers and orchestra leaders.

HE HAS arranged and backed many vocalists on records including Vic Damone, Margaret Whiting and Jane Froman. He has toured with the Nat Cole and Judy Garland Shows, performed in hotels, theatres, and ballrooms, performed on radio and television programs in addition to recording for several record companies.

A concert will be held prior to the Prom dance by a well-known celebrity to be announced in the future. Tickets for the concert and dance will go on sale April 10-12.

MORE THAN 8000 tickets are available for the concert, however, because of the limited space in the East Gym, only 1400 tickets will be sold for the dance, according to Jerry Gardiner, prom publicity manager.

Other features of the Junior Prom will be the assembly April 12 and the announcement of the outstanding junior girl and boy at BYU.

Jerry Gray and his "Band of Today" will play for the Junior Prom Dance April 19 in the Smith Fieldhouse.

Pianist Makes Music At Lyceum Thursday

John Browning will be the featured pianist Thursday evening at the BYU Community Lyceum series. The program will begin at 8:15 p.m. in the Joseph Smith Auditorium.

The New York Herald Tribune has called him "a meteor that crashed onto the musical scene a recent years."

IN THE SPAN of 7 years he has become an international star who each year plays with the major American orchestras, makes trans-continental tours and performs concerts throughout Europe and the Middle East.

His repertoire is limitless and he has been acclaimed as a master interpreter of the diverse pianistic styles, from Bach, Mozart and Beethoven to Hindemith and Barber, and from Chopin and Schumann to Prokofiev and Stravinsky.

He is the recipient of first prize in three famous competitions, the Stokwyd Centennial Award sponsored by the National Federation of Music Clubs (1954),

the Edgar M. Leventritt Award, and the Gold Medal Award of the Concours Internationale Musicales in Brussels, the most celebrated of all international competitions.

JOHN BROWNING

Priesthood Hears Broadcast Sat.

All priesthood bearers of The Church of Jesus Christ of Latter-day Saints in Utah County are invited to attend broadcast services of the general priesthood session of conference in the Smith Fieldhouse.

The services will be carried by live wire at 7 p.m. from the Mormon Tabernacle. The priesthood session is released only to assembled congregations and is of broadcast generally by radio or television.

Sophomores Qualify . . .

Team to Compete in National Debate

Two sophomores, Ned Ashby, Provo, and Steve Davis, Moab, Colo., have qualified to compete in the West Point National Debate Tournament on April 24-27.

The "world series of debate," selects participants from only 36 schools of more than 60 colleges and universities which participate in debate.

THE ASHBY-DAVIS team qualified in the District I rounds at the University of San Francisco this past weekend.

BYU scored with 20 universities and colleges competing from schools in Arizona, Utah, Nevada, California and Hawaii. Other winners in District I competition are San Diego State College, Loyola of California, and University of Southern California.

This is the second year in a row and the third year out of the past four that BYU debaters have won.

Debaters Steve Davis and Ned Ashby are surrounded with books preparing themselves for the West Point Debate Tournament to be held April 24-27.

Orbiting the Universe...

MOSCOW—The Soviet Union launched an unmanned space ship toward the moon and hinted it may land a robot station in preparations for future manned flights. The Lunik IV Moonship, itself big enough to hold a man, blasted off on the 3½ day, 230,000 mile journey to the moon's vicinity to gather scientific data.

NASSAU—Sixteen anti-Castro exiles captured while preparing an attack on Cuba were ordered held in custody on charges of carrying arms in Bahamian waters without a license. Six pleaded guilty and the other 10 not guilty.

BERLIN—Soviet fighter planes fired warning shots alongside a private plane flown by British television star Hughie Green and tried to force him to land in East Germany. Green refused and flew safely to West Berlin. The Allies protested.

by United Press International

Congress Brings Pressure To Clamp Down on Cuba

WASHINGTON (UPI) — The Kennedy administration was reported Tuesday to be increasingly concerned about troublesome developments in Latin America.

TWO MILITARY uprisings within a week—one in Guatemala and another today in Argentina—threatened to jeopardize U.S. efforts to create economic and political stability through the Alliance for Progress Program.

Members of Congress brought new pressure on the administration over its efforts to clamp down on Cuban exile activities. One said the United States seemed to have embarked on a new policy of "petrified co-existence" with the Castro regime.

THE PROBLEM of Soviet military personnel in Cuba, and how to persuade Moscow to remove them, remained.

President Kennedy was expected

to be asked about these problems at his news conference at 4 p.m. EST Wednesday.

U.S. POLICYMAKERS kept a worried eye on Argentina, where retired military officers, apparently with naval support, rose in an attempt to block what they called a Communist takeover in the scheduled June elections.

"The situations seem to be going from bad to worse without anyone being able to offer a constructive alternative," said one high U.S. official. Only last week the United States extended Argentina \$300 million in credits to help President Jose Maria Guido stabilize his economy.

On their steps to curb anti-Castro refugee raids against Cuba, U.S. officials say the raids could spark a serious international incident and could slow down any Soviet troop withdrawals from Cuba.

The Food Service Administration now operates five cafeterias, three snack bars, the Dairy Products Lab, plus 136 vending machines on campus, according to Wells Cloward, director of food services.

Total operation to keep these facilities in service employs 325 students and 90 full time workers, he said.

One of the basic problems confronting the department is the jamming of vending machines. Such objects as tokens, slugs, washers, nylon thread and foreign coins have been placed in the machines, causing an inconvenience and loss of money to other people.

Fennies and Canadian coins are also a major cause of trouble, said Director Cloward. Many people will attempt to cheat the machines by using a penny for a five or ten cent purchase.

At the beginning of each school

year many Canadian students bring a supply of coins from their country. Although these coins have the same monetary value as American coins they are of different size and weight and will often jam the machines.

If anyone should lose money in these machines for these or any other legitimate reason, their money can be refunded at any of the cafeterias or at the Food Services Dept. located in the Smoot Administration Bldg.

Another problem which the Food Services recognizes is the lack of sufficient eating accommodations on campus. "However," said Director Cloward, "food service on the campus, as a whole, does not come from a budget of the Church offices. We try to work on a close budget so we can just break even."

He cited as an example the \$1.82 which is paid by each student living at Heleman Halls as a part of their housing expense. Only 30 per cent of this money is used to buy food. The other 50 per cent is used for wages and to buy supplies and equipment, such as silverware and plates, for the approximately 1,620 students at each meal in Cannon Center.

However, better facilities will soon be available on the campus. Mr. Cloward stated the new Student Center, due for completion in April 1969, will have one of the most modern food facilities in the country.

Food services will be located on four levels of that building. Food will be prepared on the first level, while the second level will house a cafeteria and snack bar, plus catering facilities. The third floor

will accommodate from 25 to 50 people for purposes of banquets and other activities.

"On the sixth level," said Mr. Cloward, "We hope to have a real special dining facility." Reservations can be made to use this level for a dining and dancing area.

At present, however, "The big post aim of the Food Service is to give the students as much as we can, of the best quality we can, for the least cost we can," said Mr. Cloward.

DAILY UNIVERSE

Att'y. Probes Football Fix

ATLANTA (UPI) — Georgia Attorney General Eugene Cook said Tuesday former University of Georgia Athletic Director Wallace Butts divulged vital team secrets and was in contact with known gamblers prior to the 1962 Georgia-Alabama football game.

An attorney for Butts scathingly denounced the statements, contained in a report Cook turned over to Gov. Carl E. Sanders Tuesday.

The Butts spokesman said it was "obvious" Cook was determined to find Butts guilty.

The report on the two-week investigation said Butts had amassed a net fortune of approximately \$206,000. His salary was \$16,000 a year.

Butts' resignation from Georgia, where he had coached or directed athletics for 25 years, was accepted Feb. 28. This was less than a month before a magazine article accused him of telephoning football information to Alabama Coach Paul (Bear) Bryant just before the two teams clashed.

USU Botanist May Advance Cancer Study

A Utah State University professor has announced a breakthrough in infectious virus research that will advance the study of such diseases as cancer.

THE DISCOVERY, announced by Dr. George W. Cochran, professor of botany at Utah State University, will enable scientists to study the virus out of its natural habitat, thus advancing the scientific study of the diseases caused by viruses, such as cancer, according to Dr. W. M. Hess of the BYU Botany Dept.

More than thirty viruses are known to cause cancer. These viruses live inside the body and are not passed along like those of the common cold or of flu. Dr. Cochran's discovery may lead to a cure for the common cold or for certain types of cancer, Dr. Hess said.

THIS IS the second major breakthrough in the study of infectious viruses in less than a year made by Dr. Cochran.

Early in 1962 Dr. Cochran discovered he could form viruses by using extracts from infected plants and nucleic acid from viruses. The recent discovery was announced in February when Dr. Cochran and his associates succeeded in forming viruses from healthy plant extracts and nucleic acid from viruses.

ed in Birmingham last Sept. 22. Bryant and Butts have denied exchanging information that could affect the outcome of the game.

But Cook produced signed statements from six Georgia athletic staff members that the conversations, as reported, conveyed vital and important information that could have affected the outcome of the Georgia-Alabama game.

WESTERN WEEK
All students wishing to work in the Western Week Assembly either in production or performing are invited to Assembly tryouts in 44 JK3, 7 p.m. Wednesday.

FRESH ASSEMBLY
Tryouts for the freshman class assembly will be held Thursday from 4-6 p.m. in 2320 Smith Family Living Center and Friday from 4-6 p.m. in the Jesse Knight Gym.

Students interested in music, dance, playing and guitar playing are welcome.

MISSIONARY REUNION
"Asociacion Latino Americana," will hold its reunion Friday in the Terrace Ballroom, 484 South

Song and Dance Planned for Friday

A dozen campus organizations will compete Friday in the Songfest competition in the Smith Fieldhouse. Held at 7:30 p.m., theme of the concert is "A Grand Night for Singing." There will be no admission charge.

Recordings of the winners of each classification will be distributed by the Century Recording Co. Students may purchase records for \$2.50, payable upon ordering, Thursday in the Smith Family Living Center from 9 a.m. to noon and from 2-4 p.m. Following the concert, the Y's Men will play for a student body dance in the fieldhouse. Admission is 25 cents per person. Dress is heels and hose.

Main, Salt Lake. This announcement supercedes all previous announcements, including ex-Mexican missionary reunion.

Watch For...

Archon Honor Fraternity — Songfest dress rehearsal, 6 p.m. Wednesday, Main Floor, 714.

ACEI — Elementary education majors meeting, 2301 SFLC, 7 p.m. Wednesday.

Arizona Club — Western Dance, Social Hall, 8:30 p.m. Friday.

Brazilian Club — Churrasco, Salem, Utah, 5-9 p.m. Thursday, for information, call Ross Anderson, 373-7621.

Delta Phi Kappa — Exchange with Angel Fight, Wednesday, 6-8:30 p.m. 124 JKE.

Hawaiian Club — Openhouse, 2320 SFLC, 7 p.m. Thursday. All interested invited.

Norsemen — Business meeting, ESC, 7 p.m. Wednesday. Spring sports to be discussed.

Fencing and Sailer Class-Thursday, 7:45 p.m. Mondays, 7 p.m. West End of the PE.

Uruguayan Criollo Club — Business meeting, 223 McKay, Thursday, 7:30 p.m.

FASHION SHOW

Tryouts will be held for those desiring to model in the AMS-AWS spring fashion show April 11 from 4-6 p.m. in the lobby of the Smith Family Living Center. Only freshmen are eligible to model.

AWS Slates Reception For Y Coeds, Mothers

"With Love in Our Hearts" in the theme of the AWS Mother-Daughter Reception held Friday from 4:30-6 p.m. in the multi-purpose area of the Smith Family Living Center. Tickets for the affair will be sold Thursday and Friday for ten cents by the Spurs.

The area will be decorated with spring flowers and foliage in yellow and green. The refreshments will consist of pineapple sherbet punch, brownies, and cherry chews. The area will be decorated with spring flowers and foliage in yellow and green. The refreshments will consist of pineapple sherbet punch, brownies, and cherry chews. The area will be decorated with spring flowers and foliage in yellow and green. The refreshments will consist of pineapple sherbet punch, brownies, and cherry chews.

According to Marsha Foreman, chairman of the reception, the recommended dress for the affair is heels and hose. However, if girls are on campus at the time of the reception, school clothes are acceptable.

The AWS emphasized that girls do not have to bring their mothers in order to attend the reception.

Assisting chairman Marsha Foreman, is co-chairman, Nicki Chamberlain; refreshments, Janet Nielsen; decorations, Kathy Bond; invitations, Margaret Ashby; entertainment, Cindy Whiting; publicity, Diane Johnston.

Psi Chi Panel Slated Thurs.

Psi Chi, a National Psychology Honor Society, will sponsor a discussion Thursday at 4:30 p.m. in 2320 SFLC. The discussion will be led by Bob Atwood, a psychology graduate assistant with four patients from the State Mental Hospital, who will discuss the events leading up to their entrance into the hospital.

The discussion is open to the public and everyone is invited to attend. Refreshments will be served.

Cat Baseballers Bludgeon CSU Nine; Kittens Follow Big Brothers' Example

by Stan Hodge
Universe Sports Writer

The Brigham Young University diamond-men continued their winning ways yesterday as the College of Southern Utah fell first to the Varsity 22-1, and then to the Kittens 4-2.

IN THE DOUBLE-header's opener the cold weather didn't seem to bother the Cat sluggers. Jim Armstrong swung the biggest war club for the Cats, slugging 2 home runs in five times at the plate in the seven-inning, cold-abbreviated ball game. The second of these round-trip swats came in the third with the bases loaded. Snide home runs were also hit by Virgil Howe, Cat first baseman, and Newell Sargeant, third baseman. Gary Batchelor and Bruce Samples each hit doubles.

The Cougars scored in every frame and piled up what will

Girls to Hold Sports Days

by Lee Landers,
Universe Sports Writer
Two Women's Sports Days, featuring softball, tennis and archery are slated for May. One will be held in Boulder, Colo. and the other is tentatively set for Logan, Utah.

Tryouts for the softball team will be held on the Stadium Field of BYU, Wednesday, April 3rd, at 5:00 p.m. Members of the Physical Education Department will select the team on the basis of their performance in an actual softball game at that time.

The date of the tennis tournament tryouts will be decided at a meeting on Friday, April 5th, at 3:15 p.m., in the Women's Gym. All girls interested in beginning, intermediate or advanced tennis competition must attend this meeting.

All archery contestants will be selected from the archery classes by their instructors.

Sue Meyer, publicity manager of the Women's Intramural Council, stated, "The girls selected will not only have the opportunity of representing the Y in these Sports Days, but will also receive two expense paid trips as well."

BYU	528	241	x	22	18	2

Following the varsity contest the frosh, under Coach Frank Herbert, took on the same team with rewarding results.

Val Snow picked up his first win of the new season as the Kittens topped CSU 4-2. Kent Smith was the loser. In winning, Snow struck out eight hitters in five innings.

The first runs were scored by Lee Jolley, the centerfielder for the Kittens, and shortstop Dick Nemelka when first baseman Bud Hatch doubled to deep centerfield in the bottom of the first inning.

CSU TIED the score in the top of the third inning on two BYU errors. Dick Nemelka put the Y back in front in the Kitten half of the same inning with a 380-ft.

home run. Third baseman Jim Hatch added an insurance run in the fifth, hitting the horsehide over the leftfield fence.

Snow held CSU to only one hit, a single in the sixth by shortstop, Gordon Loveless.

The victories raised the Varsity's record to 2-0 for the season and the frosh record to 4 wins and no losses.

Buenos Aires Loyalists Drive Rebels Into Sea

BUEENOS AIRES, (UPI)—Loyalist army forces drove rebellious naval units from La Plata and Buenos Aires out to sea Tuesday night but the rebels grimly pressed their attempt to overthrow the government of president Jose M. Galtos.

At least 37 soldiers were killed in a naval aerial attack on an army tank column.

The bulk of the sea fleet was sighted at Mar Del Plata steaming north toward Buenos Aires.

June Grad Deadline Set

April 15 is the deadline for students to be measured for caps and gowns for June graduation.

The payment of \$3.75 for a bachelor's degree, \$7.50 for a Bachelor of Engineering Science degree, \$8.50 for a master's degree and \$9 for a doctoral degree must be paid in full when the order is placed with the Bookstore.

South Carrels For Graduate Students

Some students studying in Library carrels have been understandably annoyed when requested to leave. They don't realize that all carrels on the south side of the library except for those on the third floor have been assigned to graduate students, said S. Lyman Tyler, library director.

Each assignee has a card iden-

It was uncertain whether it was selling in support of the government or the rebels.

PRESIDENTIAL Press Secretary Alfredo Inguaranga announced that Rear Adm. Elnao Vasquez, commander of the sea fleet, had radioed support of the government from Argentina's only carrier, the Independence. This was one of the ships steaming toward the capital.

But its course also was directed toward the icebreaker San Martin, which was serving as command ship for the rebellious naval officers and retired generals who launched the revolt to thwart what they said was a threatened Communist takeover.

STEVENAGE, England, (UPI)—A fund drive opened to set up memorial headstones for twin brothers, Eliezer Albert Fox and Albert Eliezer Fox, who died in the 1930's.

The brothers, with 200 convictions each, were Stevenage's most famous poachers.

ifying both him and his carrel. He is required to show this card to the person he is asking to leave.

THERE ARE no notices on the carrels designating that they are assigned to graduate students, and students who do put up such notices do not have library permission to do so, he said.

Carrels on the north side are

'Bishop's Day' To Change Assembly Time

The weekly devotional will be held Thursday at 10 a.m. instead of Wednesday because of the annual Bishop's Day held in conjunction with the general conference of The Church of Jesus Christ of Latter-day Saints.

PIES ERNEST L. Wilkinson will speak briefly at the devotional, and the remainder of the program will be selections from the Music Dept. under the direction of Crawford Gates, chairman of the Music Dept.

A 400-member symphony and chorus will perform some of the numbers which are scheduled for presentation on their Tri-State Tour beginning Monday.

THE REGULAR 10 a.m. classes on Thursday will be held on Wednesday at 10 a.m. No classes will be held at 11 a.m. Thursday.

Students will meet with their bishops and stake presidents from 1:15 a.m. to noon. Meeting places will be announced in the Universe on Thursday.

free for all students. Students may use carrels on the south side also, as long as the assigned graduate student is not using it, Mr. Tyler reported.

Only a graduate student whose thesis title card is on file at the library is eligible for a carrel. The library librarian has further information.

Activity Requests Due

Applications for September activity must be submitted before May 27, according to Karen Brown, Secretary to Dr. Wilcox.

Orchid Display Scheduled at Y

Cymbidium orchids will be exhibited this week in the corridor of the Cliff Plant Science Laboratory Building.

Donated by Mr. Sperry, a retired business man from El Centro, California, this collection of orchids comes in a variety of colors.

Orchids are not delicate as many people believe, but actually are easy to grow. This type of orchid will bloom for a long time and will thrive well in a climate slightly warmer than this, commented Dr. Kent H. McKnight of the botany department.

SEPTMBER activity is designed to give prospective teachers an opportunity to attend workshops and faculty meet, that precede the opening school. The student will also be able to watch the experienced teacher begin the school year.

Arrangements for September activity can be made in any of the nation and in many foreign countries.

NO CREDIT will be given this activity, nor will the student do any teaching. Activity may be obtained in 207 Main Bldg.
